FAQ's

When should I order my wedding desserts?

Anytime between 6-12 months before the wedding is best.

Do you deliver? When should you deliver? Do you setup?

Yes, we are able to deliver and take care of whatever setup is required. We typically like to deliver a few hours before the reception, once the linens are on, the table is setup, and the florals are available to place on the cake (if that applies to you). There is a minimum delivery fee of \$75.

Who places the florals on the cake? You, or the florist?

We prefer to place the flowers if possible!

Can you accommodate special dietary restrictions?

Unfortunately, no. We do recommend Happy Bellies Bake Shop in Appleton. They specialize in dairy & gluten free products
